## CERTIFICATE OF ANALYSIS

|                |               |                  |                                   |
|----------------|---------------|------------------|-----------------------------------|
| Product Name   | TINIDAZOLE IP | CAS No:          | 19387-91-8                        |
| Batch No.      | 2605001       | Manufactured by  | Swapnroop Drugs & Pharmaceuticals |
| Date of Mfg.   | MAY-2026      | Date of Analysis | 20/05/2026                        |
| Batch Quantity | -             | Retest Date      | APR-2031                          |

| Sr No | Test                                           | Acceptance Criteria                                                                                                      | Results                                                          |
|-------|------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------|
| 1     | Description                                    | Pale yellow crystals or crystalline powder; odour, slight and characteristic                                             | Pale yellow crystalline powder odour, slight and characteristic. |
| 2     | Solubility                                     | Should Comply by IP                                                                                                      | complies                                                         |
| 3     | Identification – By UV                         | Should Comply by IP                                                                                                      | complies                                                         |
| 4     | Identification – By chemically                 | Should Comply by IP                                                                                                      | complies                                                         |
| 5     | Related Substance By HPLC Impurity A           | Not more than 0.2%                                                                                                       | complies                                                         |
| 6     | Related Substance By HPLC Impurity B           | Not more than 0.2%                                                                                                       | complies                                                         |
| 7     | Related Substance By HPLC Unspecified Impurity | Not More than 0.1%                                                                                                       | complies                                                         |
| 8     | Related Substance By HPLC Total Impurities     | Not More than 0.4%                                                                                                       | complies                                                         |
| 9     | Sulphated ash                                  | Not More than 0.2% w/w                                                                                                   | 0.06% w/w                                                        |
| 10    | Loss on drying                                 | Not More than 2.0% w/w                                                                                                   | 0.24% w/w                                                        |
| 11    | Assay (ODB)                                    | Not less than 98.0% w/w and not more than 100.5% w/w of (C <sub>8</sub> H <sub>13</sub> N <sub>3</sub> O <sub>4</sub> S) | 99.51 % w/w                                                      |

**Storage:** Store in air tight container below room Temperature

**Conclusion:** Product Complies as per above Specifications

|                                                                                                                                                |                                                                                                                                               |                                                                                                                                                 |
